

YOUR COMMENTS ARE ESSENTIAL

Why your comments matter...

- Your comments will be shared directly with local elected officials and regional transportation professionals.*
- Elected officials will review the public comments in addition to the study materials as they select a “Locally Preferred Alternative” (LPA) in each of the three corridors.*
- Your comments on both bus and rail service will also be used by local officials to help assemble a future Regional Transit Plan.*
- The Regional Transit Plan could include a portion or all of the “Locally Preferred Alternative” and a portion or all of the proposed bus improvements.*
- The Regional Transit Plan would need to be approved by the County Commission, the Metropolitan Planning Organization (MPO), the Triangle Transit Board of Trustees and ultimately, YOU THE PUBLIC by way of referenda.*

***Thank you for taking time to share your thoughts and concerns.
We appreciate your valuable insight.***
