Surface Parking Lot Option Site Example

Parking Ramp Option Site Example

**Examples of approximate areas required for the Commuter Rail station site with approximately 400 park-and-ride spaces:**

- In a surface parking lot = 220,000 sf or 5.1 acres;
- In a 4-level parking ramp = 60,000 sf or 1.4 acres

(Note: The examples do not represent a specific site location recommendation)
